

Datasheet

NZDU00323 Dulux Winterlock Additive

Description and Image

Dulux Winterlock Paint Additive is an application and dry time optimizer for cold weather. Compatible with most Dulux premium water based exterior and preparation paints.

Features and Benefits

- Improves application and dry time for use in cold weather
- Helps paints cure at temperatures as low as 3 degrees
- 10ml treats 1L of paint
- Don't let cold weather hold you back

Uses

For use in conjunction with most Dulux premium water based exterior and preparation paints:

- Dulux Premium Exterior Weathershield® (all bases and colours)
- Weathershield Colourguard™
- Timbacryl® (all bases and colours)
- Dulux Prep 1Step® Prep (water based)
- Dulux Professional® Total Prep

✓ Exterior

Precautions and Limitations

Do not use product when rain, dew or other moisture is expected during the drying time of the paint.

Do not use product when temperature is above 10 $\,\mathrm{C}$ as there could be workability issues with excessive drying.

For exterior use only.

Dry times of paint with additive will be faster than paint without the additive, however, they are still dependent on environmental conditions (temperature, humidity, air movement) and recoat should not be done in less than 4 hours in most situations.

Do not use more than 10 mL of additive per 1 L of paint.

Dulux Winterlock Paint Additive is NOT compatible with:

- Dulux Weathershield +PLUS Winterlock.
- Dulux Professional FastFinish Enamels
- Dulux Weathershield +PLUS Superhide
- Dulux Roof & Trim
- Dulux Aquanamel
- Non-Dulux products

Datasheet

Application Guide
Surface Preparation
As per paint product requirements
Application Procedure and Equipment
 Measure 10 mL of Dulux Winterlock additive per 1 L of paint. Add to the pail and stir for a minimum of 3 minutes until material is fully incorporated. Allow the product to sit for 15 mins before applying. Once the additive is added to the paint, paint should be used within 24 hours. Apply product as per the application instructions of the paint product.
